

Your Child's Future Starts Here

Prospective Parents Evening 2022

06 June 2022

Dear Parent/Carer,

Your Child's Future Starts Here: An Evening for Prospective Parents/Carers

As the “Your Future Starts Here” induction days on the 21st and the 22nd of June approach, we would like to extend a warm welcome to all the parents/carers of students who have applied for a place in Sixth Form at Highlands College.

We would be delighted if you could join us for one of three sessions that we are running on Tuesday 28 June from 4pm. These sessions have been designed to enable you to find out more about life at Highlands College, as well as learn about the support and opportunities available to students.

You will have the chance to hear from the Senior Leadership Team, support departments and speak to staff in a relaxed setting.

Online booking for this event is now live and can be accessed via Eventbrite, or you can click on this link to book your place: <https://www.eventbrite.co.uk/e/your-childs-future-starts-here-an-evening-for-prospective-parentscarers-tickets-349507415087>

Please note that one ticket needs to be booked per person (there is the option to select more than one person when you book). This event is for parents and carers only. All tickets will be checked on the door so please ensure you have the ticket to hand when you arrive.

We are looking forward to meeting you and being a part of your young person's next steps.

Kind regards

The Highlands College Team
